My 2018 Goals

Name: ______________________________

Step 1: Get Ready!

1. What do you WANT in life, but don’t have? These are things that make you happy on a deeper level, not just give you pleasure or make you feel better in the short-term.
   1. ______________________________
   2. ______________________________
   3. ______________________________

2. What do you HAVE in life, but don’t want?
   These are the things that cloud your mind, take up time, aren’t supporting you or perhaps add stress without a sense of reward.
   1. ______________________________
   2. ______________________________
   3. ______________________________

3. What’s most important to you in life? My Top 3 Priorities are:
   1. ______________________________
   2. ______________________________
   3. ______________________________

5. Where do you want to be in 10 years?
   It’s 2027. Think about the big picture - where you want to be, ideally. Be realistic but also get inspired, think POSSIBILITY not probability. Take a moment to really visualize this, what will your life (personally and professionally) look like, feel like, what might you be hearing?

Step 3: Start Your Engines!

6. What ONE thing will I do for EACH goal in the next month?

Write out just ONE action that you will complete towards EACH goal in the NEXT MONTH. This is the FIRST STEP. Break the action down into a smaller step or action until you can commit 100%. If you want to do more than one action, great, but there must be a minimum of ONE.

GOAL 1 Action ___________________________________________ by ________________________________

GOAL 2 Action ___________________________________________ by ________________________________

GOAL 3 Action ___________________________________________ by ________________________________

7. Who are my CHEERLEADING TEAM? Who will help & support me? eg. Friends & Family, Partner, Gym-buddy, Colleagues

1. ___________________________________ HOW Specifically? ___________________________________

2. ___________________________________ HOW Specifically? ___________________________________

3. ___________________________________ HOW Specifically? ___________________________________

Step 4: On-Target Checks!

11. If you were to GIVE A MARK OUT OF 10 for how likely you feel you will achieve these goals? ____ / 10

WHEN your score is 8 or more – Congratulations, you have a plan!!

12. IF your score is LESS THAN 8, ask “What, that I perhaps haven’t mentioned yet, might stop me from achieving this goal?” Then, ask “What am I prepared to do about it?”

☐ I am committed to achieving these 3 goals in 2018 Signed ________________________________
